TROY DAVIDSON

To Whom It May Concern:

This is a reference for Troy Davidson, whom worked onboard Motor Yacht Secret the 62M and 83M.

I employed Troy in 2008, we worked together until I retired in 2017. During the nine years Troy and I worked together, I can honestly say both the principals and I can vouch that Troy is the best Chef we have ever encountered.

From the Principals perspective, they loved Troy, his menu, cuisine and mannerism were above anything they had experienced before, having been in a lot of the worlds top restaurants, is a statement in itself and this reference should end here!

From my perspective as Captain and Owners Representative, Troy was a complete professional, his crew and guest food were excellent, he was well liked by his peers and was always a pleasure as a crewmember.

Troy very quickly gained the trust and respect from myself and the principals, he started traveling to the principals residences to cater for parties and guest dinners and of course always on the yacht when the guests were onboard.

Troys management onboard the yacht included chef staff, stores, provisioning, accounts and liaising with yacht agents wherever the yacht maybe berthed.

Troy was also responsible for managing a residence in the Caribbean, maintaining the property with contractors and all provisioning and staff.

At the time I retired, Troy continued to oversee culinary operations across multiple residences such as Las Vegas, Beverly Hills, and the Caribbean, while also playing a key role in galley design and kitchen planning for both the new 115m yacht and the owners' private holiday residences.

Troy is a high-energy, positive, and unflappable Head Chef, equally strong with both guest and crew food, all of which was consistently delivered to the highest possible standard. He is extremely hard-working, organized, and thrives under pressure, maintaining calm and control in demanding environments.

I certainly wish Troy every success and whomever employs Troy will quickly see that he is an asset to the organization.

Should you have any questions, please do not hesitate to contact me via email at andrewlawrence@icloud.com

Kind Regards

Andrew Lawrence
